MEMORANDUM FOR: DIRECTOR OF INTELLIGENCE, GSUSA

SUBJECT: Transmission of Information to Central Intelligence Agency

1. Receipt is acknowledged of D/I, GSUSA, Memorandum dated 1 March, subject as above, file 3D-14497-1.

2. The proposed arrangements for transmission to CIA of information contained in [ ] and other reports are entirely satisfactory, and your effective cooperation in proposing them is warmly appreciated.

3. The need for holding the number of recipients of [ ] information to a workable minimum is understood. Normally, the material will be seen only by the Liaison Officer or his Alternate, by the three Senior Intelligence Officers shown below, and by the Chief of the Current Intelligence Group. In the interest of a realistic security control, however, it seems desirable to include in the list the names of the seniors or alternates of these six men who might on occasion require access to the information. Clearance, therefore, is requested for the fourteen names shown below, though only those six whose names are marked by asterisks will normally be recipients.
